Hacking It!
Umsetzung des päd. Konzeptes in ein LMS

Arbeitsaufträge (45-60 min)

Die Kleingruppenarbeit findet in den Projektgruppen in Break-Out-Räumen statt. (Fragen im Rocket.Chat)

- **Feedback** (5min)
- **LMS** erkunden per Screensharing (10min)
- **Absprachen** - wie Konzept übertragen? (20min)
- ggf. Beginn der **Umsetzung** (10 min)

Ziel: Verständigung über die Aufgabe und Verteilung von Arbeitsaufträgen.

Arbeitsauftrag (HA)

Setzen Sie Ihr pädagogisches Konzept **prototypisch** in Ihrem LMS um.

Erstellen Sie **Screenshots** von den Ergebnissen, die Sie für die finale Ergebnispräsentation (Woche 12) verwenden können.

Notieren Sie **Erfahrungen zur Arbeit mit dem LMS**, die im Abschlussvideo aufgegriffen werden können.

The screenshot displays the Eures LMS interface with a sidebar on the left containing course activities and a central column of circular icons. The activities are organized into three sections: Welcome, Week 2 - Flipped classroom, and Week 3 - project week. Each activity is represented by a document icon and a text label. The icons in the central column are color-coded and represent different activity types: a blue document icon for 'Welcome to this course', a blue speech bubble icon for 'Present yourselves', a green document icon for 'Preconceptions - what do you know about', a blue document icon for 'Watch this movie', a purple speech bubble icon for 'Test your knowledge', a blue document icon for 'In the classroom - how discussion will be carried out', a green document icon for 'End of week reflection', a blue document icon for 'How the group work will be carried out', and a green document icon for 'Individual reflection on group work'. The icons are arranged in a vertical column, with some overlapping.

In two or three columns

Yellow

Is the color of gold, butter and ripe lemons. In the spectrum of visible light, yellow is found between green and orange.

Blue

Is the colour of the clear sky and the deep sea. It is located between violet and green on the optical spectrum.

Red

Is the color of blood, and because of this it has historically been associated with sacrifice, danger and courage.

A picture is worth a thousand words

A complex idea can be conveyed with just a single still image, namely making it possible to absorb large amounts of data quickly.

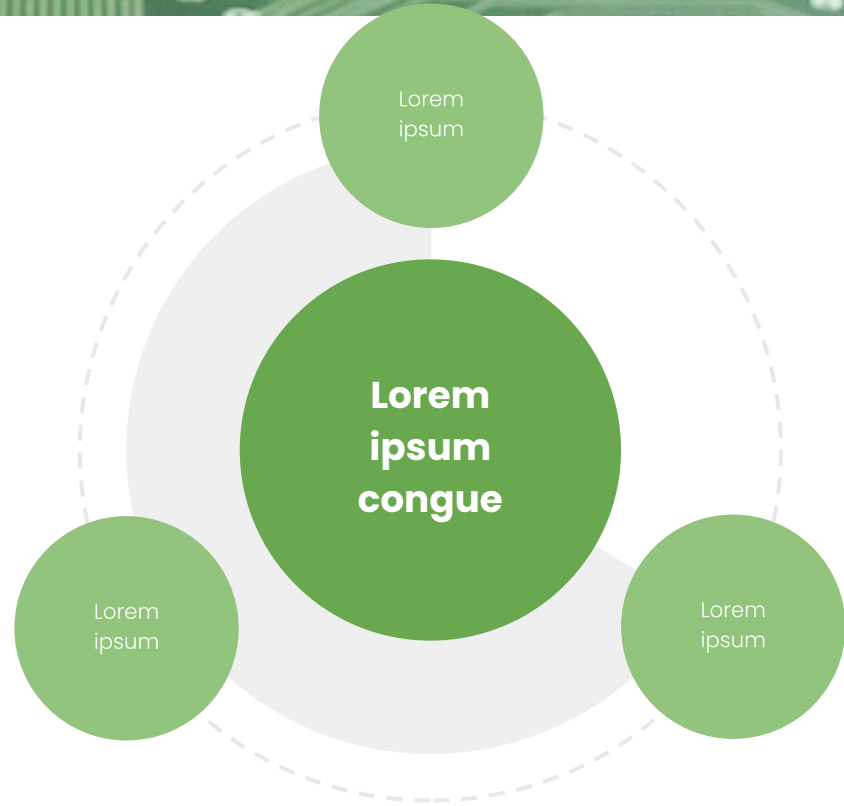

The logo for 'LA Lehramt Plus' features a large, dark blue 'LA' on the left. To its right, the word 'Lehramt' is written in a smaller, dark blue sans-serif font, and 'Plus' is written below it in a larger, grey sans-serif font. A horizontal grey line is positioned under the 'Plus' text.

Presentation design

This presentation uses the following typographies:

- Titles: Poppins Bold
- Body copy: Poppins Light

You can download the fonts at:

<https://www.fontsquirrel.com/fonts/poppins>

You don't need to keep this slide in your presentation. It's only here to serve you as a design guide if you need to create new slides or download the fonts to edit the presentation in PowerPoint®

SlidesCarnival icons are editable shapes.

This means that you can:

- Resize them without losing quality.
- Change line color, width and style.

Isn't that nice? :)

Examples:

Now you can use any emoji as an icon!
And of course it resizes without losing quality and you can change the color.
